

NORMAN A. WHITTEN UNIVERSITY CENTER ADDITION & RENOVATION

Square Footage: 69,000 SF

Architect: WTW Architects/Arquitectonica

Contractor: Moss & Associates

Project Program:

The renovation of the Whitten University Center houses a new auditorium, expanded student lounges, new breezeway and pool lockers.

The renovation also includes facility upgrades on the 1st and 2nd floors as well as the redesign of the Whitten University Center patio area and refurbishing of pool.
