

UNIVERISTY CENTER PATIO

Square Footage: 48,800 SF

Architect: Arquitectonica

Contractor: Moss and Associates

Project Program:

Redesign, extend and renovate existing University center patio, offsetting stage and terracing patio to enhance views to the Lake, and provide outdoor entertainment venue.

Includes refurbishing the existing sub-deck spaces, and maintaining some below deck storage space. Also includes enhanced AV system, new patio furniture, landscaping, trellis shade structure, lighting, freestanding umbrellas, railings, and fencing between patio and pool.
