

SCHOOL OF BUSINESS ADMINISTRATION & CLASSROOM WING

Square Footage: 19,000 SF

Architect: Bermello Ajamil & Partners

Contractor: Coastal Construction

Project Program:

The addition of a new wing to the existing School of Business compound that consists of Jenkins, Stubblefield and McLamore Executive Education Center and Auditorium. The new wing is located parallel to the waterway between the Executive Wing elevator tower and the Jenkins Building.

The first two stories will be open air; the third floor will consist of faculty offices, with conference rooms on the fourth and fifth floors. The new wing will have direct connection to the Executive Wing and connects to the Jenkins Building by ways of ramps similar to the ones used to connect to the Stubblefield Building
